

The best lawyers in Latvia according to the authoritative directory of law firms Legal 500.

Once again NJORD Latvia has been included in the ranking of leading Latvian law firms in the following practice areas:

- Dispute resolution
- Real estate and construction
- Intellectual property, IT and telecommunications
- Commercial, Corporate and M&A

The Legal 500 quotes comments by our clients:

‘You can be sure that any significant and sometimes even less significant assignments are performed by senior staff with extensive proven experience.’

‘With regard to real estate cases I consider NJORD as real professionals.’

This year our 5 lawyers have been recognized as recommended practitioners in their field of practice, including Sergei Petrov, Dmitri Kolesnikov, Dmitri Nikolaenko, Eduards Vaisla and Anna Kosinska. Anna Kosinska has been also ranked as a rising star for a second year in a row.

About Legal 500.

The Legal 500 - an authoritative directory of law firms and law firms that publishes an overview of the legal markets of all countries and regions of the world including EMEA countries (Europe, the Middle East and Africa).
