

NJORD Law Firm strengthens business with new partner in the corporate department

On August 1, 2024, NJORD Law Firm welcomed attorney and partner Vivek Kailas, who specializes in M&A, corporate, and corporate finance.

Vivek Kailas has over 15 years of experience as a lawyer. In addition to his legal qualifications, he holds a Master in Business Administration and a Graduate Diploma in Finance. Kailas has extensive experience advising both Danish and international clients on business acquisitions and has handled countless M&A transactions over the years.

"We are proud to welcome a profile like Vivek's. I have no doubt that his experience and professionalism will strengthen our corporate team and expand what we can offer our clients. It is a continuation of our strategy and reaffirms NJORD's growth," says Board Chair Karen Marie Jespersen.

Vivek Kailas himself states, *"I am very pleased and proud to have become a partner at NJORD. I look forward to collaborating with the corporate team, our clients, and the rest of the organization. NJORD is a modern law firm with both depth and breadth in its capabilities. The firm has strong expertise and values that align well with my own."*

The addition of Mr. Kailas to NJORD's group of partners aligns with our strategic focus on enhancing our well-established practice areas. His vast experience and expertise will play a key role in advancing the next phase of NJORD's business strategy.
