PROFILE

Marleen Arus primarily deals with corporate law, helping companies to incorporate and, if necessary, later change their structure. Marleen also assists with applying for authorization for economic activities, in particular providing services of exchanging a virtual currency against fiat currency and providing a virtual currency wallet service. Her duties additionally include communication with notaries and registers, including the Commercial Register. Marleen is also a day-to-day help for dispute resolution lawyers.

LANGUAGES

Estonian and English.
