PROFILE

Torben Lunde specializes in insolvency law, including bankruptcy and reconstruction. Torben has extensive experience in the practical handling of bankruptcies and reconstructions, including conducting business transfers out of bankruptcy, asset realization, investigation of avoidable transactions, and handling cases related to avoidance, management liability, and bankruptcy disqualification. Torben's experience encompasses crisis-ridden businesses in various industries and legal structures. Torben is also regularly appointed as a liquidator in compulsory dissolution cases.

Additionally, Torben provides advice on general commercial law matters, including restructuring, company law, business transfers, as well as dispute resolution and legal proceedings. Torben has previously worked as an in-house lawyer in the financial sector, gaining experience in financing and security arrangements through that role.
