### PROFILE

Peter Klint specializes in labor and employment law. He advises companies on all aspects of collective labor law and individual employment law, including the interpretation and negotiation of collective agreements, as well as cases concerning dismissals, terminations, discrimination legislation, business transfers, and mass layoffs. Peter also has extensive litigation experience and has conducted numerous court cases.

Peter's advisory style is energetic and solution-oriented, with a particular focus on making complex issues easily understandable for his recipients.
