PROFILE

Josef Mohammad is an assistant attorney in NJORD Law Firm's Intellectual Property department, specializing in copyright, trademark law, and marketing law.

As part of the team, Josef advises both Danish and international companies on protecting and enforcing their rights. He also provides guidance on dispute resolution, offering strategic advice as well as handling specific cases, with particular expertise in the music, media, design, and entertainment industries.

With his thorough and dedicated approach, he ensures that clients receive tailored advice that safeguards their interests and strengthens their market position.
