### PROFILE

Nis Peter Dall primarily works with data protection law, IT law, and internet law and is a certified IT attorney.

Within data protection law, Nis Peter Dall has extensive experience with both national and international data processing matters, including compliance, data processing agreements, transfers, and security issues in both the private and public sectors. Nis Peter Dall has also worked with health data law.

Nis Peter Dall is particularly experienced in IT-related agreements, including procurement, license agreements, development agreements, operation and maintenance agreements, and cloud computing.

In addition, Nis Peter Dall advises on e-commerce, marketing law, and intellectual property rights, especially within the digital area, such as database rights and other matters related to the internet.
