PROFILE

Tina Jordt advises Danish and international companies on all aspects of employment relationships, including the conclusion and drafting of employment contracts, amendments to employment contracts, and termination of employment. She also provides legal advice in connection with business transfers. In addition, Tina Jordt conducts litigation within her field of expertise and regularly delivers training sessions for clients and business partners on employment law matters.

Tina Jordt also focuses on Danish-German commercial relations and, in this context, advises German companies on Danish employment law.
