PROFILE

Ulrikke specializes in real estate, construction law, insurance, and tort law. She has extensive experience with home-buyer insurance cases, property transactions, defect claims, and tenancy matters. She also advises on insurance cases involving damage and coverage issues and has in-depth knowledge of mold damage. With a background in the insurance industry, Ulrikke possesses strong technical knowledge of construction. She understands the processes from the inside and navigates effectively between all parties involved.

Ulrikke emphasizes professional and empathetic advice, where legal precision goes hand in hand with clear communication, ensuring a smooth and secure case process.
