

CARBON NEUTRAL COMPANY

NJORD LAW FIRM supports the following UN goals for sustainable development:

NJORD LAW FIRM

Participant ID: DK-1930-1204

Valid until: 04.12.2019

This certificate guarantees that the reported quantity of 245 tons CO₂ has been saved in Gold Standard tested climate projects.

NJORD LAW FIRM has acquired shares (certificates) in climate protection projects corresponding to the calculated volume of CO₂, and therefore plays a transparent part in the realisation of the projects. This ensures that the company compensates for its own CO₂ emissions, and thus scales back the rise in global warming.

The projects have been certified, and the issue and closure of the certificates is registered transparently.

NJORD LAW FIRM is therefore a voluntary participant in emissions trading, and thus makes a contribution to maintaining a viable environment by reducing the emissions of greenhouse gases. The holder of this certificate makes a sustainable contribution to the commitment to tackle global warming.
